

## RUBRIC

CATEGORY	A	B	C	D-F
<b>Information</b>	Three events from time period are detailed and explained accurately and understanding of events is clearly expressed.	Three events are portrayed--there are either minor details in accuracy OR understanding of events could be improved.	There are issues with accuracy and understanding.	Unsatisfactory--either not enough events, events are not in correct time period or major issues with accuracy and understanding.
<b>Reflection</b>	Events are analyzed and reflected upon in a thoughtful manner--time and effort are evident in the outcome!	Reflection is satisfactory.	Although there is a little reflection, much more time and effort could have been put in.	Little to no reflection evident.
<b>Creativity</b>	Extremely creative and interesting!	Although project is creative, more thought could have been put in.	The project does not really demonstrate much creativity or expansion on topics.	Little to no creative or extra thought evident.
<b>Mechanics</b>	Correct grammar and spelling--bibliography page is in correct format.	No more than 4 spelling or grammar or citation errors.	No more than 7 spelling or grammar or citation errors.	Proofread! Many errors!
<b>Use of Documents</b>	Makes creative, analytical, and accurate use of primary documents for each entry	Makes adequate use of documents with some insight for each entry	Makes use of documents in a limited way or for just some of the entries	Lacks use of documents or documents are misinterpreted.
